Races on The Fourth

The Sonoma Driving Club is justly proud of the unqualified success of the big race meet given here on last Saturday. An unusually large crowd of people gathered to witness the various speed contests scheduled for the occasion.

The first race on the program was a road race, with the following entries: —

Mr. Jason's, Belle; F. Millericks', Two-step and Mr. Boyle's, Juda. Belle won two mile heats, and the race—time, 2:45 and 2:44.

Orleona, by Clarence Nauman; Cozy Corner, by F. Liedecker; Babe, by J. P. McDonnell and Margarite, by Boyle, contested for a purse of $30 in a 2:40 class, trot or pace, mile heats, best 2 in 3. Margarite, driven by her owner, Geo. Boyle, won in two straight heats, time, 2:23 and 2:22½.

In the saddle horse race, half mile, were five entries:—Dan, by Carpenter; Babe, by Allison; Billy T., by Topete; Red Wing, by Geo. Millerick and Gypsy Queen, by Frank Millerick. The race and purse were won by Dan in 57½ seconds.

For the Bigelow stakes $100, there were three good contestants Myrtle, by M. Lonergan, Washita, by Wm. Slattery and De Roll, by A. Schwartz M. Lonergan's favorite and beautiful little mare, Myrtle, driven by Jos. F. Ryan, was in her usual good form and won easily in straight heats, the race and purse of $100. Time, 2:17 and 2:18. De Roll came in both heats and received second money.

In the thoroughbred running race half-mile dash, there were six entrees: Coney Island. Whiskers, Nellie, Sam, May McB., and McGree. Whiskers ridden by Ben Scoval, won the race and purse of $25.

A match race not on the program was run between Peg Home and McCree. There was considerable betting on this race, the backers of Peg Home taking down the coin.

In the colts race, half mile heats, best 2 in 3, Hello Girl, by Jas. F. Tate, won the first heat, and Lena D., by Emil Cornelius, won the second and third heats and the race. Time, 1:28, 1:27 and 1:34. Victoria, by A. Marcy, came in third in each heat. Purse $30.

The last race of the day was a trot or pace 2:30 class for a purse of $50. Before Taken, by Geo. Smith; Bill Daly, by Joe Ubaldi and Sydney B., contested, the first named dropping out after the first heat. Bill Daly, driven by Jos. F. Ryan won the race in two straight heats, time, 2:30.

Admission Day Races

Encouraged by the great success of the Fourth of July race meet the Sonoma Driving Club will give another race meet at their track in this city on Wednesday Sept. 9, Admission Day. Many well known horsemen who were here and enjoyed the sport on July Fourth, stated their intention of entering horse again at the next race in Sonoma.

New Schooner Run

Capt. D. L. Larkin will soon start to make regular trips with the Schooner Four Sisters, between Sonoma and San Francisco. The regular runs will be made three or four times per week and will begin as soon as the first fruit is ready for market, and will continue during the season and as long after as business will warrant. Fruit shipped by boat is preferred in the metropolis as it reaches there in first-class shape and sells more readily.

The Four Sisters will land at the new landing on Schell's Slough below town, a much nearer point than the old landing. Rates very reasonable, so much so that you can save money by shipping by the Schooner. The San Francisco landing is at Mission Wharf No. 1.

Over Thirty Years

In 1872 there was a great deal of diarrhoea, dysentery and cholera infantum. It was at this time, that Chamberlain's Colic, Cholera and Diarrhoea Remedy was first brought into use. It proved more successful than any other remedy or treatment, and has for thirty-five years maintained that record. From a small beginning its sale and use has extended to every part of the United States and to many foreign countries. Nine druggists out of ten will recommend it when their opinion is asked, although they have other medicines that pay them a greater profit. It can always be depended upon, even in the most severe and dangerous cases. For sale by L. S. Simmons.

A Fraternal Visit

Sonoma Parlor, No. 111, N. S. G. W., accepted an invitation to pay a visit to Santa Rosa Parlor, last Wednesday evening. Jos. F. Ryan's big bus was chartered to carry the members who attended the big doings there. The natives of the county seat royally entertained their guests, who enjoyed themselves immensely.

For many years he has enjoyed a liberal patronage from this valley and his work always gives satisfaction. Mr. Sondag will make regular weekly trips to the valley and solicits a share of he trade. Give him a trial orde for a good suit and you'll be satisfied. etf

DAIRY SCHOOL

Every man who has anything to do with making butter or cheese or with handling milk will be interested in the eight weeks course in dairying to be given at the University Farm at Davis, beginning October 5, 1908. Any one who attends will gain many times the cost in a better knowledge of his business and in the advantage of rubbing against dairymen and teachers from other parts of the State. In fact, the cost is trifling, other than for board, which is as cheap as any where else. The creamery is fitted with brand new machinery and will be running in a commercial way in a few weeks, so that when the students come in October they can step into a successful plant, both from a teaching and a business point of view.

The University dairy department is to be second to none in the country. Another step forward is the recent election, by the Board of Regents, of Herbert A. Hopper, of Purdue University, as the new head of it. Mr. Hopper graduated from the College of Agriculture at Cornell University in 1903. For the next three years he was engaged in dairy extension work at the University of Illinois, College of Agriculture, located at Purdue University. He will enter his California field September 1st, and may be expected to do a great deal for the dairy interests of the State.

A Sane Celebration

According to a Chicago paper, there were 72 people killed and 2,736 injured, on account of the use of explosives in celebrating the last Fourth of July. This is as far as they were able to ascertain but there are doubtless many more of whom the papers did not learn.

The wholesome idea of a sane and safe style of celebrating our Independence is fast gaining ground among right thinking citizens everywhere, but judging from the figures given above, there is still room for improvement. The noisiest fellow on the Fourth, is not necessarily the most patriotic. In fact the opposite is more likely to be true.

It seems to us that the most patriotic citizen is the one who honors the flag and his country at all times by being law-abiding and honest with his government and fellow citizens.

Grape Growers to Meet

For the purpose of taking action looking to the protection of the viticultural industry of California in any revision of the tariff which may be made, the Manufacturers' and Producers' Association of California has issued a call for a meeting of the wine grape growers of the state to attend a convention to be held in California building, Union Square, San Francisco, July 22 at 2:30 p. m.

In the production of wines California stands pre-eminently at the head of the states of the union, and the association has called the meeting to insure a proper recognition of the claims of this important industry in the hearings which are to be held before the ways and means committee of the house of representatives next November.

Bryan Nominated

William J. Bryan was again nominated for President by the National Democratic Convention in Denver, on the first ballot. The nomination was made unanimous amid tremendous enthusiasm. Bryan received 892 votes against a scattering vote of 165.

A. J. Van Every Dead

On Wednesday afternoon, at his late home on Spain street, in this city, Andrew Jackson Van Every, the highly respected carpenter and builder, passed to his eternal reward. Deceased came to Sonoma about thirty five years ago and has resided here ever since. The old gentleman has been feeble and ailing for the past two years, so his death is no surprise to the many friends who knew of his failing health.

Last Monday morning at 4 o'clock Mr. Van Every arose and in moving about the house, in his feeble condition, his night shirt caught fire from a lighted candle. The severe burns which resulted, was the immediate cause of his death. His faithful life partner for many years, was awakened by his cries of pain and extinguished the flames, but not until the burns had been too severe to leave any hope for recovery. He was over 83 years of age at the time of his demise.

Mr. Van Every was an honored member of the I. O. O. F., for over a quarter of a century. His remains were taken to San Francisco this morning for cremation in the I.O.O.F. Crematory in that city.

Much sympathy is expressed for the heartbroken widow who is thus bereft of her beloved husband in her old age.

Glen Ellen Benefit

The big minstrel show and dance given in Chauvet Hall, Glen Ellen, last Friday evening, was a decided social and financial success. The proceeds were for the benefit of St. Mary's Catholic Church in that town and Manager Dowdall is to be congratulated on the pleasing result of his endeavors.

The players were late in putting on the show, on account of the delay of the Northwestern Pacific train that evening, but nevertheless the large part of the program was ably rendered much to the satisfaction of the large crowd which attended. A social dance followed the entertainment.

Teachers Elected

At a recent meeting of the Board of Trustees of Sonoma District, the following teachers were elected to teach for the ensuing year: Principal, Jesse Prestwood, of Guerneville, who will teach the Seventh and Eighth grades; Miss Ida Waterman, Fifth and Sixth grades; Miss Florence Murphy, Third and Fourth grades; Miss Minnie F. Cooke, First and Second grades.

School will reopen for the fall term on Monday, July 27.

The new principal, Mr. Prestwood, a former Sonoma boy, and a graduate of the Sonoma Valley Union High School, comes highly recommended and has had several years of successful experience in teaching. He will bring his family shortly to reside.

Beloved Wife Passes Away

Mrs. Emma Bobell died at her home near Sonoma, last Wednesday morning. Deceased was a native of Tillamook Co., Oregon, and was 48 years, 5 months and 21 days old at the time of her demise.

She came here over a year ago with her husband, who bought the John Walsworth place below town, where they have since resided. Deceased was a very estimable lady and her early demise is sincerely mourned by a wide circle of friends.

The funeral took place from her late home this afternoon at 2 o'clock, Rev. R. Lionel Rowe officiating. Interment was in Mountain Cemetery in this city.

Was It Stolen?

Henry Caillaud, the owner of the Buena Vista Castle property, and a capitalist of San Francisco, reported to the police that his safe deposit box in the French-American Bank, had been robbed of $17,000. Not much credence is placed in the story, which seems beyond belief.

Grand Ball

One of the most successful grand balls in the history of Sonoma, was that given under the auspices of the Sonoma Driving Club in Union Hall last Saturday evening. The large crowd in attendance enjoyed themselves immensely. The music, by the Paul Johnson orchestra, was extra fine and the banquet given by Mine Host R[illegible] was great.

Mrs. Marzo's Arrival

Mrs. Matilda Marzo, a lady born and raised in the Alps of Switzerland, arrived at Sonoma from that far off land last Friday evening. She came to make her home with her son, Eugene Marzo, whom she had not seen since he left his Alpine home for America 25 years ago. The meeting was very happy and affecting.

Considering the facts that Mrs. Marzo is over 79 years of age and that she never saw a railroad before starting on her journey here, the fact that she made the trip from Switzerland to Italy, thence across the briny deep to New York, thence across the continent to San Francisco, without the slightest discomfortyre, not even being sea sick, makes it a very remarkable voyage. Mrs. Marzo is still hale and hearty and is enjoying her visit here very much. She has also had the pleasure of becoming acquainted with her grandchildren and great grand children, whom she probably never expected to see until the opportunity came to visit California.

Malicious Mischief

We have heard of several instances of cold-blooded nerve possessed by some of the genus homo, but for an exhibition of concentrated malicious gall, we never heard of a worse case than that of the party or parties who took Mrs. Taylor's horse and buggy from the hitching post in front of her home, by the El Verano bridge, and after riding about, must have turned the horse loose to run at random. When found Tuesday morning, the harness was badly broken and the buggy so thoroughly smashed that it is almost beyond repair.

Here is a case where the extreme penalty of the law should be given to the guilty parties and if the limit is not severe, they should be fined and jailed the limit for cruelty to animals. It will certainly go hard with the culprit or culprits if apprehended.

This form of so-called sport seems to be contagious, as some one unknown also took Mrs. Emparan's horse and buggy from in front of Dr. Thomson's residence Tuesday evening and after riding around to their satisfaction, turned the outfit into the field in front of the Gen. Vallejo home where it was found the next morning.

Officers are keeping up a hunt for the offenders.

Talks to Supervisors

William L. Ashe, of Glen Ellen, former Highway Commissioner, asked the Sonoma County Board of Supervisors on Monday if they would give him a letter of endorsement to the Board of Supervisors of Contra Costa county, approving of the plan to carry automobiles and horses and vehicles across the straits from Vallejo Junction to South Vallejo so as to connect Contra Costa county with Solano and Sonoma counties. He said that the railroad company was willing to acquiesce if the Contra Costa Supervisors would build a proper road. The Sonoma supervisors heartily endorsed Mr. Ashe's suggestions, and when he appears before the Contra Costa board the latter part of this week he will take with him the endorsement, not only of the county fathers, but that of the Santa Rosa Chamber of Commerce. Mayor Gray accompanied Mr. Ashe in his visit to Supervisors' hall on Monday morning.

If the scheme can be carried out and the road provided it will be a great convenience for the people of the bay cities who want to get into the Sonoma valley without having to go from Oakland to San Francisco and then board another ferry for the Marin county side and then drive around about course in order to reach the valley. It will be remembered Mr. Ashe addressed the Sonoma County Supervisors on the subject last month.—Democrat.

L. Modini Arrives

Our esteemed fellow townsman, Lorenzo Modini, arrived in Sonoma Friday evening from a two-years visit with relatives and friends in sunny Italy. He looks the picture of health and reports having had a delightful time and a pleasant voyage home. He is happy to be back in good old Sonoma, however, and his many friends here are certainly glad to see him.

[illegible]s at Boyes

Stanford [illegible] Parlor, N. S. G. W. of San Francisco, celebrated the anniversary [illegible] American Independence in grand style at Boyes Hot Springs [illegible] last Saturday. The members of the Parlor came up Friday [illegible] and remained until last Sunday [illegible] evening's train. During the forenoon of the Fourth, a general literary exercises was carried out.

Judge C[illegible] Carroll Cook with a bass drum was the prominent figure in the parade, Past President A. F. Schleicher led the procession in his creation, the "Merry Widow" drum major, Other participants were Fred Stanley as Uncle Sam, A Morganstein as the German baron, Brother Tobbs as Columbia, Joe Lucy as California.

Judge [illegible]lood made an oration; "My Own United States" was sung by A. Morganstein; a speech by Louis Ickbon. orator of the day; a monologue, "Our Flag," by the Italian comedian, Past President McMahon; "Star Spangled Banner" sung by Miss Mayme Kelly; the Declaration [illegible] preted by A. Morganstein; "La Paloma" song by Mrs. L. V. Emparan. Swimming contests in the big tank followed, Leo McMahon took the free-for-all and George S. McComb and Ed Head tied in the fat men's race.

The night celebration included an elaborate banquet, followed by fireworks at the clubhouse and a grand ball. At the banquet the ladies were presented with souvenirs and there were table fireworks besides the brilliant scintillations of wit and repartee. Sunday morning a bullshead breakfast, games and water contests were held by the Natives.

Villa's Big Celebration

The biggest celebration ever given at the El Verano Villa, was held there last Saturday. Mrs. Louis Lamoe, wife of the genial manager, worked indefatigably to arrange an interesting and attractive program. In this she was entirely successful. Among the features of the entertainment was an aggregation of 50 boys and girls who were artistically arranged upon the stage to represent the American Flag. There was an abundance of music furnished by local and San Francisco talent and a general good time was enjoyed by all who attended.

Lunk Improving

It was a matter of common remark on the Fourth as to the improvement shown by F. Leideckers' horse, Lunk. While Lunk did not win the race, the fact that he possesses speed was evident to all.

Sonoma City Sued

We learn from a reliable source that suit will shortly be begun against the City of Sonoma by the bondsmen of J. T. McQuiddy, the first contractor of the new city hall. Mr. McQuiddy was unable to carry out his contract with this city, and the bondsmen had to make good to the amount of about $6000.

This sum the bondsmen will endeavor to recover as they very much dislike to pay for public improvements out of their private funds. Julius Fochetti, Sr., Chas. Dal Poggetto, L. Quartaroli and the late C. Aguilon, are the plaintiffs in the case.

The outcome of the trial will be awaited with much interest.

The suit, which is declared to be a friendly one, was brought by Mrs. Smith against her brother. James B. Burdell, a well-known business man of Petaluma, and son of the late Dr. Galen P. Burdell, a capitalist and stock owner of Point Reyes and Petaluma.

BUSYBODIES VS. TRUTH.

Here Are The Facts—Judge For Yourself.

Busybodies who see in success only falsity, who, without making an effort to inform themselves, blatantly cry offense against honesty and truth—seem to forget that a slur against Dr. Pierce's well-known non-alcoholic family remedies is a slur against the intelligence of thousands of clear-thinking American women who know they have been helped and cured by Dr. Pierce's Favorite Prescription. It is not a "patent medicine" in any sense—it is simply the favorite remedy which Dr. Pierce used in an extended practice for the treatment of the diseases peculiar to women.

Truth and Influence. A name for honesty and square dealing is better than great riches. Fraud is a bubble that soon bursts. Dr. R. V. Pierce has always been known to speak the truth—his famous medicines are founded on the rock of public approval and have thousands of truthful testimonials as to their ability to cure diseases for which they are recommended.

True Speaking. No man ever lost a prospective customer through telling the truth. In the long run Dr. Pierce believes the truth will prevail and he is therefore not afraid to make public his formula.

Valuable Trade Secrets. The ingredients of Doctor Pierce's Favorite Prescription are given to the public. He vindicates the excellence and harmless character of his "Prescription" by letting ailing women know just what they are taking when they use this reliable tonic and nervine for the diseases and weaknesses peculiarly feminine. These ingredients are combined in just the right proportion to make an efficient remedy, without the use of a particle of alcohol, and they are as follows: Golden Seal root, Black Cohosh root, Unicorn root, Blue Cohosh root, Lady's Slipper root, with chemically pure glycerine of proper strength for extracting and preserving the active medicinal principles residing in the above native roots.

No Alcohol Used. Dr. Pierce never believed it necessary or advisable to use alcohol in the preparation of either his "Favorite Prescription" for weak women, or his "Golden Medical Discovery," the well-known alterative tonic, which is so largely used as a remedy for indigestion, torpid liver, bad blood and kindred ailments. Over forty years ago, he discovered that chemically pure glycerine is a far better solvent of most of the active principles residing in our native medicinal plants when used at a proper and sustained temperature than is alcohol; and, furthermore, he found that a glyceric extract kept much better than an alcoholic one, and that the glycerine possessed intrinsic remedial value, being demulcent, nutritive and an effective anti-ferment. Although costing somewhat more, Dr. Pierce predicts that glyceric medicinal extracts will, in the not distant future, largely replace alcoholic ones so generally prescribed by physicians and put out by proprietary or "patent medicine" manufacturers, as being more efficient and entirely free from the serious objection of making inebriates when used in lingering or chronic cases, where a somewhat protracted use of medicine is necessary no matter how good or well adapted to the case it may be in order to obtain permanent results.

Dr. Pierce's Pleasant Pellets. When the "Favorite Prescription" is not quite laxative enough, as in obstinate constipation, the little, pleasant, sugar-coated "Pellets" should be taken to aid the "Prescription." One or two for a laxative, two to four for a cathartic. They alone have been known to cure many bad cases of stomach trouble, dyspepsia and indigestion. They act on the liver and regulate the bowels. Put up in glass vials, corked, therefore, always fresh and reliable.

BREVITIES

—On Monday morning June 15th a solid train of 63 cars all loaded with Imperial valley cantaloupes and drawn by two Jumbo freight engines, was a sight to convince those who saw it that the world does move. Five years ago the same section was called the Colorado desert.

The contest between American horses and bronco ponies in the race between Evanston, Wyoming and Denver, Colorado, resulted in victory for the broncos. The distance was 507 miles. Twenty five horses started.

The Sonoma County Co-operative Poultry Association is appealing for 500 more members from amongst the poultrymen of that county and asserts that if it can have this increase it can effectually control the market situation.

The automobile sure'y has diverse uses as is proved by walnut growers of Orange county who have rigged up a walnut-gathering machine which takes from the ground hulls and separates waste and sacks walnuts.

Use DeWitt's Little Early Risers, pleasant little pills that are easy to take. Sold by all druggists.

Vacaville has shipped nearly 200 cars of deciduous green fruits to date.

Bert Barber, of Elton, Wis., says: "I have only taken four doses of your Kidney and Bladder Pills and they have done for me more than any other medicine has ever done. I am still taking the pills as I want a perfect cure." Mr. Barber refers to DeWitt's Kidney and Bladder Pills. Sold by all druggists.

Apricot drying is in full swing in some sections of the Sacramento valley.

Just a little CASASWEET is all that is necessary to give your baby when it is cross and peevish. CASASWEET contains no opiates nor harmful drugs and is highly recommended by mothers everywhere. Conforms to the National Pure Food and Drug Law. Sold by all druggists.

It is expected California will produce this year about 500,000 tons of barley, and its value will exceed $12,500,000.

DeWitt's Witch Hazel Salve is good for cuts, burns, bruises or scratches. It is especially good and piles. Recommended and sold by all druggists.

Fruit buyers in Sutter county are offering as high a $25 per ton for cling peaches, but growers are holding for a higher price.

This is what Hon. Jake Moore, State Warden of Georgia, says of Kodol for Dyspepsia: "E. C. DeWitt & Co., Chicago, Ill.—Dear Sirs—I have suffered more than twenty years from indigestion. About eighteen months ago I had grown so much worse that I could not digest a crust of corn bread and could not retain anything on my stomach. I lost 25 lbs; in fact I made up my mind that I could not live but a short time, and when a friend of mine recommended Kodol. I consented to try it to please him and was better in one day. I now weigh more than I ever did in my life and am in better health than for many years. Kodol did it. I keep a bottle constantly, and write this hoping that humanity may be benefitted. Yours very truly, Jake C. Moore, Atlanta, Aug. 10, 1904." Sold by all druggists.

Coachella valley farmers are anticipating the arrival of alfalfa seed to be introduced from the Sahara Desert. It will be used in the paper making industry of Southern California, if it succeeds under Coachella conditions.

There is one preparation known today that will promptly help the stomach. This is Kodol. On March 18, 1907, I had a similar attack, and took Chamberlain's Colic, Cholera and Diarrhoea Remedy which gave me prompt relief. Willed Away the Laundry.

When a perfectly strange woman came for the soiled clothes the mistress of the house came to the conclusion that her own laundress had simply employed a new messenger and made no comment on the circumstances.

But when two weeks had gone by and still the old laundress, known as Susan, no last name having been mentioned, did not appear the mistress of the house felt that she would be lacking in her duty if she did not make some inquiry about her.

"Where is Susan?" she asked the tall and bony structure who came for the clothes.

"She has gone to Pennsylvania to live, yessum," returned this person, with composure. "She went to Pennsylvania some time ago, an' she lef' goodby fer yuh, but s' long es yuh didn't seem tuh notis I didn't say nuffin'."

"But why didn't she come and tell me and allow me to make some arrangements about my laundry?" asked Susan's ex-mistress.

"Well, she lef' yo' clothes tuh meh. She made a will an' lef' dem clothes tuh meh. Wese allus been good frien's, and so w'en she lef' she say I may wash yo' clothes long ez I wush tuh. an' dere wuz no use worryin' yuh 'bout it, now was dere?"

To which moderate and sensible question the mistress of the house could only remain speechless.—Baltimore News.

Satisfied Her Curiosity.

A certain south side lady has come to the conclusion that curiosity can no longer be indulged in with any degree of safety. One night she entertained a group of friends and at the moment of departure, when conversation always lags a trifle, her eye fell idly on a package carried by one of the men.

"What is it you have there?" she asked, with hardly a thought of what she was saying.

"Well," said another guest, springing forward, with mock indignation, "if he's going to be searched, I feel that all of us should be subjected to the same indignity."

"Oh, I," commenced the hostess, her face flushing—"I give you my word that"—

"I can prove the ownership of this watch," cried one man.

"This was my mother's ring," explained another. And so it went down the line until the laugh came just in time to save the life of the hostess. Hereafter one of her guests can walk off with the grand piano and be free from remark.—Kansas City Independent.

Worth the Difference.

A big jobber sent an aspiring young man on the road to open up a new territory where a new railroad was going through. All the towns being new, there were no hotel accommodations, and it was necessary for the salesman to secure meals and lodging at restaurants, etc., where the price was 25 cents per meal. On looking over the expense account the manager noticed all meals charged at 50 cents.

"Look here, Charlie; I see you have charged us 50 cents per meal on your trip, and I am reliably informed that it is impossible to get a meal for more than 25 cents in your entire territory. How about it?"

"Well," said the salesman, "you are right. It did cost me but 25 cents per meal, but I tell you, sir, it's worth the other 25 to eat those meals."—New York Times.

A Clever Manager.

The Groom (very wealthy)—Why did you ever marry an ordinary chap like me? The Bride—I haven't the slightest idea. Mamma managed the whole affair.

Study of Man.

The only school for the study of human nature is the world. The only text books are the works of men like Shakespeare, Hugo, Cervantes, Sterne and other students who learned in that school. But the effectual study of human nature demands from the student a vast fund of love and sympathy. You will never get admitted into the heart of a fellow creature unless you go as a friend.—Robert Blatchford in Clarion.
